Hey.
This isn't the highest quality you have.
Huh?
Is it wrong to bought.

Remodeling.
Was that the sound I'm thinking?
Are you referring the prince?
Oh, is wrong to bought.

Then isn't the best quality.
Huh?

We went the best and is the royal of city a whole says
What? To the royal city?
They should have arrived by now.
Where is The soldiers who were escorting the princess?

It might get delivered to the royal palace...
What was in hockey, it is a really good product. If rescuer gets real, 4.5 % is still a is more expensive price.
Ah. Hmm.

I was not sure.

Why isn't I went to school
Was not I should they have they can't I like anywhere, she is dead
Ah. My sister is a princess, I can not to see a royal palace.

Hey
Our carriage has arrived!

But something seems a bit off...
They're outside. Are you sure we can leave quickly.
Huh?
Yah-eh!
The shadow?

Why hasn't it moved only here?
I'm going where I am or not?

There were men dressed in black clothes.
After the carriage started they kept following us around the village.
We met stars there a couple times while we were traveling to the capital. We were always naturally on guard.
Even if I talked to them, they wouldn't answer me. They continued to follow us at a distance.
As we neared the village, the men suddenly disappeared.
All of us were tired so we stopped for carriage to relax.

Damn was...

They took all the money we earned and a couple of us were hurt.

We moved there, have redistributed the revenue.

But there was pressure on it.

What was inside the crocodile's belly...

Was not me.

It's all my fault.

Rowe??

I couldn't stand this. I didn't intend my friend to get hurt like that...

You're the snowboard who really threw hard at troupe circus.

You must have something between some Rowe, right?

It's all my fault.

I would've gotten help anytime.

I know that with enough perseverance it could have overcome this problem.

But I stupidly chose to use the magic item and curse.

Hey, you!

You must be a customer. What as of

And our owner is Devin.

He is on Rowe.

I'm returning them to you

Rowe

Please come Rowe
